I did not know this in my early stages of my entrepreneurial career, but after nearly a quarter of a century of experience, this has been proven to be evident. On the release of this memoir on July 24, 2016, I commemorate 22 years in business as an entrepreneur, publisher, broadcaster, talk show host, filmmaker, lecturer, author, speaker, and publicist. This career memoir marks a specific time period in my life where I worked as an entrepreneur during the years of 1994 from when I first launched my business 22 years later on the anniversary of the business on July 24th 1994. this Memoir is being released on July 24th 2016 to recognize 22 years of a passion of entrepreneurial spirit.The most important legacy a person has is what they leave behind and for me it is my contribution produced through my entrepreneurial ventures as a business owner.This memoir of entrepreneurial experiences formerly documents 22 years in the form of a montage of memories that s spread across various industries with skills and abilities developed over time. I do expect that this same style of evolution to continue for the next 22 years.
