Real Advice from a Real Investor If you are dreaming of getting started in the investing world to supplement your income or even kick your 9-to-5 job to the curb completely, then Options Trading: The Ultimate Beginner s Guide might be the answer you have been looking for. This book will help you learn everything you need to know in order to start making successful moves in the options market, even if you aren t quite sure what an option is at this moment. Simply put, options are like stocks or bonds in that they are a variety of security which, when purchased, give you the option of purchasing or selling a stock or another related asset at a specific price. While it might seem complicated now, the reality is that it is mostly about doing research and executing on a specific plan once certain numbers are met. While once only the domain of Wall Street, online options trading makes the process easier than ever. So, what are you waiting for? Stop dreaming and start acting. Inside You Will Find A complete breakdown on all option typesDetailed explanations on exactly how options workAn easy to follow step-by-step guide to walk you through your first options tradeThe best strategies for a beginner to achieve successThe lingo of a professional options traderThe easiest way to guarantee long term trading successCommon mistakes beginners make and how to avoid themMuch, much more! This is the definitive guide to get you started on trading options!.
