Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have engaged in the art of journaling throughout my life. As I meditate on a specific concept or theme received through a sermon, Bible/book study or devotional reading, the Holy Spirit releases revelation in the form of an acrostic. I achieve clarity by revelation on a subject matter through divine insight given in a creative style which bring alive the seeds of the Word of God. The uniqueness of this impartation often left me in a mental dialogue, either reluctant to release the thought or hesitating, awaiting confirmation of what was just heard in my spirit. The Webster s dictionary defines acrostic as a composition usually in verse in which sets of letters (as the initial or final letters of the lines) taken in order, form a word or phrase or a regular sequence of letters in the alphabet. An acronym is a word formed from the first letters of each one of the words in a phrase (initials). People often interchange these words because they appear to be similar in content. This treasure was birthed following a prophetic word I received. I have cried, laughed, agonized and endured many restless nights and sleepless days. I pray that my inspiration will impart revelation and be a blessing to you.
