Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Master the skill of writing a strong resume. Searching for a new job can feel tedious and sometimes be a painful experience. In an ever-competitive job market, the first thing that should be done is to ensure that one's resume stands out from the crowd. For each available job vacancy, hundreds, if not thousands of applicants send in their resumes. Although hiring managers have teams working for them, they are often not able to go through every single one of these. They typically select a certain number of candidates they feel gave a good first impression on their resumes, who will continue to the next round of interviews. This process can feel arbitrary and may make you feel like you do not have any control of the situation. Not only does it feel like the interesting jobs are few and far between, actually knowing what to write once your dream job gets vacant, can feel confusing. Learning the skill of writing a resume that makes a lasting impression on a hiring manager increases significantly the possibility of being considered for your dream position. This is why learning how to create the perfect resume is very important and this is the reason behind the creation of this resource. This book contains proven steps and strategies on how to create a resume that is sure to be noticed by potential employers and propel a candidate past the initial phases of hiring. In this book you will learn Important guidelines for writing an outstanding resumeHow to present yourself as a more than viable candidate for the job you wantHow your resume can grab the attention of the hiring managerBoosting your resume through social...
