Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Austria: It Literary, Scientific, and Medical Institutions, With Notes Upon the Present State of Science, and a Guide to the Hospitals and Sanatory Establishment of Vienna For the early history of the School of Medicine I have chiefly consulted the work of Hecker, Geschichte der neueren Heilkunde. Zweztes Buch. Die Wiener Schule, 1839 and also the writings of Professors Rosas and Beer. To inform myself upon the laws that regulate the medical constitution of Austria, I have carefully perused the Darstellung der Medicinalverfassung in den K. K. Staaten Oesterreichs von J. J. Knalz, visiting, at the same time, those different grades and conditions of the profession, and becoming personally acquainted with those sanatory enactments to which he refers and I have also examined the comparison between the French and German schools, lately published by Dr. C. A. Wunderlich, Wien and Paris. Ein Beitrag zur Geschichte und Beurtheilung der gegenwärtigen Heilkunde in Deutschland and Frankreich. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
