Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Tender Buttons is a 1914 book by American writer Gertrude Stein consisting of three sections titled Objects, Food, and Rooms. While the short book consists of multiple poems covering the everyday mundane, Stein s experimental use of language renders the poems unorthodox and their subjects unfamiliar. Stein began composition of the book in 1912 with multiple short prose poems in an effort to create a word relationship between the word and the things seen using a realist perspective.
