Asking questions, and communicating in general, can sometimes seem very complex and hard to master. However, once you get the ropes of it, it becomes incredibly easy and natural. This book aims to show you that, as well as the way to master the art of asking the right questions at the right time. Did you know that Pierre-Marc-Gaston, duke of Levis, once said It is easier to judge the mind of a man by his questions rather than his answers. ? And there is, in fact, a lot of truth in that quote. Just remember how many times you ve silently (or openly) judged someone for asking stupid or obvious questions. Or how many times you found someone to be really irritating because he/she can t formulate the questions he/she asks well, so they sound confusing and take a lot of effort and time to...
