Reviews

It is in a single of the most popular publication. It is loaded with wisdom and knowledge I am effortlessly will get a delight of studying a published book.
(Aisha Swift)

TAMIL NADU

Lustre/Roli Books, 2008. Softcover. Condition: New. For most Indians, Tamil Nadu represents more than just the state within its borders. For decades, it has been emblematic of all that lies south of the Vindhyas. South India is almost invariably illustrated in the mind`s eye by the landscapes and faces of this state. They weave an unworldly view of life into a worldly-wise approach to work. They cross seas and continents but hold fast to the thread that binds them to the motherland. They would rather trade than conquer and have assimilated would-be invaders into their own traditions, but when it comes to changing society, they are radicals. The landscape bristles with temples, churches and mosques, but it has the most active band of atheists in all of India. There are strong regional sentiments and allegiances here, but Tamils have been in the forefront of India`s nationalist movements and global migrations. People live off the ancient arts and live for them, but they also innovate and revolutionize. They lay claim to technology as firmly as they do to tradition. They master gentlemen`s games such as chess and cricket and then get down in the mud for a bull run. It is a culture of flamboyance and austerity, and its icon is the woman clad in Kanchipuram silk and brocade, and her consort in white cotton. Still, let`s not call it a land of contrasts. That is the shimmer on the surface of Tamil Nadu - the tiered gopuram overlooking an electronic components factory, the kolam drawn next to the gleaming Ford in the driveway, the vegetable seller checking prices on her cell phone. What lies beneath these images is the continuity of a millennia-old culture, a rich medium in which the thrusting, growing, exploding players of today weave smoothly through the..
