HarperCollins Publishers, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. After the best part of forty years spent either living under his parents roof, in the tropical rainforests of three continents, a vast array of student digs or most recently a one-bedroom flat, The One Show s Mike Dilger has at last bought a house - and with it, a (potentially) glorious garden. `Potential was definitely the word that sprang to mind the very first time Mike and his partner Christina viewed their new `house-and-garden-to-be in a small rural village some eight miles south of Bristol.And so begins their year-long journey to create their very own wildlife sanctuary. From otters to badgers, chickens to hedgehogs, an orchard, a pond and compost bins, to the best birdlife imaginable, what began as a straightforward mission soon became the adventure of a lifetime.Illustrated throughout with beautiful black-and-white line drawings by Christina Holvey, Mike Dilger s partner-in-crime, this light-hearted nature tale with a twist will appeal to wildlife enthusiasts and keen gardeners alike.
