Coachwhip Publications, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When a famous art-loving millionaire disappeared from a Bohemian party in the artist quarters of Montparnasse, a number of colorful Parisians began to devote themselves to suspicious actions of one kind or another. Homer Evans, irresponsible playboy artist and Bohemian, combines his talents for quick thinking and kiss-stealing in a wild chase for the murderers through the streets of Paris. Following hot behind is Miriam Leonard, a belle from Montana whose shapely hand is quite as effective with the revolver as with a loving caress! And then there is Hjalmar Jansen, strapping Norwegian artist friend of Homer's, ever ready to gird his loins for any kind of lusty brawl so long as there are women and wine in plenty. Bloodletting and love-making are liberally combined with infectious humor in an altogether irresponsible manner, and readers of *The Mysterious Mickey Finn* will find in these pages a witty story sprinkled in the classical manner with the proper number of bodies, some beautifully alive and kicking. . . . I astonished and delighted myself by reading it. . . . *The Mysterious Mickey Finn* is like no mystery story I know. It may not please the orthodox mystery fans; it is, in its way a satire on orthodox mysteries. . . . I have seldom read a book which gave me so intensely the impression that the author had a grand good time writing it. The hilarity is infectious. -Lewis Gannett, *New York Herald Tribune* Read it for the witty, sophisticated, tongue-in-the-cheek fluency of Mr. Paul, for the wicked innuendos, for the fiction-coated satirical barbs at men, morals and artists. It's grand. -Hartford Times.
