Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Short History of the Book of Common Prayer: Together With Certain Papers Illustrative of Liturgical Revision, 1878-1892 The opening paper of this collection was originally read as a lecture before a liturgical class, and is now published for the first time. The others have appeared in print from time to time during the movement for revision. If they have any permanent value, it is because of their showing, so far as the writer's part in the matter is concerned, what things were attempted and what things failed of accomplishment. Should they serve as contributory to some future narrative of the revision, the object of their publication will have been accomplished. So much has been said as to the poverty of our gains on the side of enrichment, as compared with what has been secured in the line of flexibility, that it has seemed proper to append to the volume a Comparative Table detailing the additions of liturgical matter made to the Common Prayer at the successive revisions.
