Alfred Music, 2010. Mixed media product. Condition: New. Language: English . Brand New Book. Scoring for Percussion is a complete manual including availability, ranges, transpositions, techniques, beaters, and standardized notation. It provides a guide for arrangers scoring percussion parts for pieces in a variety of styles. This newly revised edition contains an enhanced CD-ROM that provides a comprehensive look at more than 85 percussion instruments, with images of the instruments, sound samples, and typical patterns associated with each instrument. Every serious student of composition/arranging/orchestration, not to mention percussionists themselves, would do well to thoroughly study and master the concepts presented in this text. -Percussive Notes This 152-page resource reference textbook should be included in every university library for reference, if not required for the discussion of actual curricular content in percussion scoring and notation. -Jim Lambert, The Instrumentalist.
