

The Non-Sequitur of Snow

By Shari Kocher

Puncher and Wattmann, Australia, 2016. Paperback. Book Condition: New. 210 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Moving non-chronologically through youth and maturity, dreamscapes and time, Shari Kocher's long-awaited first collection charges the elusive music of cross-generational song-lines-mothers and daughters, daughters and grandmothers, lovers and kin-with the invisibles and intangibles of two decades spent honing her craft. This is a book about breathing. It is also about the changing contours of the journey home, even when the ground of what is meant by home seems most absent, impossible or undone. Rooted in place, yet animated by the immaterial, these poems breathe a body of living and loving alive.

Reviews

Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

-- **Althea Fahey MD**

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
