

A Guide to Glastonbury's Temple of the Stars

By K. E. Maltwood

James Clarke & Co Ltd. Paperback. Book Condition: new. BRAND NEW, A Guide to Glastonbury's Temple of the Stars, K. E. Maltwood, In recent years detailed archaeological study has shown that in parts of the world prehistoric man had a far deeper understanding of astronomy than traditional historians were willing to accept. Glastonbury has always been at the heart of legends of chivalry and sanctity dating back for beyond written records, and has long excited the interest of scholars and seers. Yet it was not until the advent of aerial photography that its most dramatic archaeological secrets were revealed. From studying these photographs and comparing them with detailed maps and the evidence of myth, Katherine Maltwood investigates these exciting discoveries and their meanings. In this book, she reveals her discovery of a vast and complex pattern of figures in the contours and landmarks of the area. They form, in fact, a huge land chart of the Zodiac.
