## Facing Danger in the Helping Professions: A Skilled Approach

By Iain Bourne

Open University Press. Paperback. Book Condition: new. BRAND NEW, Facing Danger in the Helping Professions: A Skilled Approach, Iain Bourne, Do you face dangerous behaviour in your work? How equipped are you to deal with whatever might be thrown at you? Dangerous behaviour is a very real threat to practitioners working across the helping professions. This innovative, accessible and theoretically informed book deals with the types of dangerous behaviour that helping professionals are likely to encounter and provides strategies and skills for dealing with these situations. Written for both students and practitioners in various disciplines, the book focuses on the immediate face-to-face management of interpersonal danger. Case studies allow the reader to place themselves in the incident and to reflect on what they might be thinking, feeling and doing in a given situation. Based on the author's dangerous behaviour training courses, this invaluable book will enable helping professionals to implement good practice while dealing with the stress, confusion, fear and anxiety that dangerous situations give rise to. "Written for professionals who may experience violence in the course of their work, this book is - unusually - not about helping the violent person become less violent (worthy though that goal undoubtedly...
