Reviews

The publication is straightforward in study safer to recognize. It is written in straightforward words and never hard to understand. It has been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affected the way I think.

(Percy Bernhard)

COMANCHE MOON (HARDBACK)

Perfection Learning, 1998. Hardback. Condition: New. Language: English . Brand New Book. Comanche Moon by Larry McMurtry, a brilliant and haunting novel richly capable of standing on its own, completes the author s epic four-volume cycle of novels of the American West that began in 1985 with the Pulitzer Prize -- winning masterpiece, Lonesome Dove. We join Texas Rangers August McCrae and Woodrow F. Call in their middle years, just beginning to deal with the perplexing tensions of adult life -- Gus and his great love, Clara Forsythe; Call and Maggie Tilton, the young whore who loves him -- when they enlist with a Ranger troop in pursuit of Buffalo Hump, the great Comanche war chief; Kicking Wolf, the celebrated Comanche horse thief; and a deadly Mexican bandit king with a penchant for torture. Assisting the Rangers in their wild chase is the renowned Kickapoo tracker, Famous Shoes. Comanche Moon joins the twenty-year time line between Dead Man s Walk and Lonesome Dove, as we follow beloved heroes Gus and Call and their comrades-in-arms -- Deets, Jake Spoon, and Pea Eye Parker -- in their bitter struggle to protect an advancing Western frontier against the defiant Comanches, courageously determined to defend their territory and their way of life.
