RIVER BEND CHRONICLE: THE JUNKIFICATION OF A BOYHOOD IDYLL AMID THE CURIOUS GLORY OF URBAN IOWA

Lookout Books, United States, 2013. Paperback. Book Condition: New. New.. 190 x 140 mm. Language: English . Brand New Book. From a striking talent with keen powers of observation comes this evocation of the eccentric Miller family's tangled connections between themselves, an unlikely cast of locals, and a seldom-documented urban Iowa, one not of cows and cornstalks but of concrete and rust, full of longstanding institutions buckling under economic pressures and peopled by citizens adrift in an America that began to vanish in the 1960s and 70s. Miller has engulfed the reader in a dysfunctional family searching for what it means to be a family and a city grasping for identity in the wake of strip malls and pop cultural trinkets. From this expansive debut interspersed with Bob Campagna's vintage photographs of urban Iowa in the 70s readers will emerge rooted to the terra firma of our national literature and reminded of the dreams we inherit as our own, long after we've moved away.
