Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Through Understanding Comes Respect and Love This book was inspired by the author s daughter, Jaimie, who struggles with Sensory Processing Disorder (SPD) every day. It was written to validate Jaimie s feelings and to show her other children feel things the way she does. This book can help children with SPD learn how to explain their disorder to others; help peers understand what children with SPD go through; and also help therapists, teachers and/or counselors learn how to talk about it. Helping others learn about children with special needs brings understanding to them and help to make them seem less different. New 2nd edition includes suggested activities teachers or caregivers can do with children to help develop a deeper understanding of how SPD feels plus new pages on vestibular and proprioception systems. Praise for I m Not Weird, I Have SPD This book is a must-read for any parent who has a child suffering with Sensory Processing Disorder. It also helps your child put words to what they are feeling on a daily basis....
