Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Manual of the Board of Education, State of Kansas The State Board of Education offers the following suggestions to institutions of learning whose courses of study have been approved, and to candidates for the state certificate and diploma: 1. The institutions whose normal course has been approved will understand that the standard for admission should be a second-grade certificate, or an examination equivalent to the same. All of the work contemplated in the course, including advanced work in the common branches, is designed to be of such high character as will be profitable to such candidates. 2. The texts to be used in all of the subjects embraced in the course are to be those approved by the State Board of Education, or those generally recognized as their equivalent. 3. The laboratory work in all appropriate subjects should be done largely by students themselves, and should be in full keeping with the spirit of modern laboratory instruction. 4. While the text-books named furnish a general outline or basis for the work in each subject, all...
