Santa Monica Press, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Spanning the entire history of the park, from its founding more than 50 years ago to the present, this fascinating book profiles 500 attractions, restaurants, stores, events, and significant people from the history of Disneyland(R). Each of the main entries in the book examines in detail the history of a Disneyland(R) landmark, including how many of the most popular attractions went through several incarnations before becoming what they are today--Tomorrowland's Hall of Chemistry and Hall of Aluminum were transformed into the groundbreaking Adventure Thru Inner Space in 1967, and then became the popular ride Star Tours 20 years later. Read about unbuilt concepts, including Rock Candy Mountain and Chinatown, and delight in fascinating trivia about the park, such as ride statistics and attendance records. With a daily list of events, openings, and closings in the park's history, a yearly summary of attractions that came and went, simple and clear maps that correspond to the book's 500 entries, and sidebars with additional information on each ride, this is a comprehensive and entertaining book overflowing with detail on the most-renovated, most-loved, and most-visited theme park in the world.
