

Jalal: A Story of the Iranian Revolution (Paperback)

By M Forouzandeh

iUniverse, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Iran is in crisis when an electrician engineer is recruited to become the prosecutor s assistant director of the Revolution Court in Abadan and Khorramshahr. Unfamiliar with any members of Iran s Supreme Court, including Jalal, the court s organizer and leader, the engineer reluctantly accepts his new role where he unfortunately begins witnessing one atrocity after another. As the engineer immerses himself in his new duties within an Islamic revolution that spares no one, he must investigate cases of sodomy, adultery, spying, and murder and interrogate suspects who, if confess to their crimes, are either whipped or even worse yet, executed. But as a war begins and Iran is attacked from the land, air, and sea, the engineer drops everything and serves on the front lines for several years. As his journey leads him through war and beyond, the engineer is brought full circle where he eventually discovers that the lengthy battle has taken many more victims than he ever imagined. In this historical novella, an engineer turned investigator during the Iranian Revolution finds a new destiny amid an upheaval that forever...

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

-- Trent Monahan

Comprehensive guide for ebook fanatics. I have read and I am certain that I am going to plan to read through yet again once again in the future. Your lifestyle period will likely be changed once you fully look over this ebook.
