The masterpieces from the rich collection of the State Russian Museum in St. Petersburg reflect every aspect of life including labor and poverty, the world of children, public festivals, war and death, scenes from bourgeois life, and revolution. In literature, music, and fine arts, the "Russian spirit" is depicted as a world of emotions in which love, sorrow, and death run rampant. After the 1860s, Realist conventions came to dominate the genre scenes. Progressive artists of Russia began portraying the fundamental problems of the period...
