August House Publishers, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Just who was Robin Hood? What did William Tell do that was so special? Why is Joan of Arc so famous? Author Lorna Czarnota presents medieval tales that answer these questions and many more in a highly entertaining format. Czarnota offers solid historical background for each story so that young readers have a framework to enhance the significance of each story. As they explore these action packed stories, young readers will be able to imagine themselves pulling Excalibur from the lake, untying the Gordian Knot, or fighting with Roland and the Frankish army. These adventurous stories will teach readers the importance of courage, resourcefulness and respect. Each chapter includes a tips section, a history of the story, and a pronunciation guide. The final section describes the role of the storyteller in medieval times and includes a chapter on how to look and sound like one. The author tells readers how to tailor the story to the audience . [T]his a helpful guide. There is a good glossary of medieval terms and comprehensive source notes. -School Library Journal.
