## How to Create the Perfect Eyebrow

By Victoria Bush

Milady. Paperback. Condition: New. 192 pages. Dimensions: 9.2in. x 7.9in. x 0.5in. How to Create the Perfect Eyebrow is the definitive and ultimate source for teaching students and beauty professionals how to make any pair of eyebrows beautiful, symmetrical and model-like. Most women alter their eyebrows themselves or have them altered professionally and, generally, the results are not as satisfactory as hoped. This text solves that problem and makes beauty professionals experts in eyebrow techniques, increasing customer satisfaction and profits. This text delivers all the pertinent information needed to confidently enhance and perfect any pair of eyebrows. It features basic and advanced methods of measuring to properly place an eyebrow, including essential information regarding eye set, arch placement, beginning point, ending point, long-standing rules and corrective techniques. The student will gain a thorough understanding of how to assess facial zones, face shapes, facial features and the eyebrows to ultimately determine the optimal eyebrow shape or shapes for a clients face. This is a text and workbook in one that contains a wealth of charts and quizzes and a final test, giving students the opportunity to test the knowledge they have gained. By actually measuring, recording and drawing in order to properly...
