Reviews

Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.

Yearling Books, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Barnaby Brocket is an ordinary 8-year-old boy in most ways, but he was born different in one important way: he floats. Unlike everyone else, Barnaby does not obey the law of gravity. His parents, who have a horror of being noticed, want desperately for Barnaby to be normal, but he can't help who he is. And when the unthinkable happens, Barnaby finds himself on a journey that takes him all over the world. From Brazil to New York, Canada to Ireland, and even to space, the floating boy meets all sorts of different people—and discovers who he really is along the way. This whimsical novel will delight middle graders, and make readers of all ages question the meaning of normal.
