After-Death Communication (ADC) describes direct contact between the living and the deceased, undertaken without the intervention of an intermediary such as a psychic or medium. The stories related here include testimonies from the famous, such as Paul McCartney and Robbie Williams, as well as people from all walks of life. ADC s provide an understanding of the vastness of the spiritual dimension, expanding our minds to see a wider reality, one that exists before birth and beyond physical death. This book is both a glimpse into that reality and a practical guide that can be interpreted on both simple and advanced levels of understanding, wherever we are on our spiritual journey.
