Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Everett Stanton)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.

On se rappelle la stupeur de Paris quand s'y repandit tout a coup la nouvelle des deux defaites de Forbach et de Reischofen. C etait un dimanche, l atmosphere etait lourde, orageuse, chargee d epaisses vapeurs. Je me trouvais avec deux ou trois de mes camarades de l Ecole normale; nous parlames de nous engager. Sans etre bien perspicace, on pouvait deja prevoir que notre armee active n etait pas de force a soutenir la lutte, et les raisons memes qui avaient amene la defaite du marechal de Mac-Mahon, le nombre des Allemands, leur discipline, leur savante organisation, disaient assez qu avant peu la France aurait besoin de tous ses enfants. Par cela meme qu une loi speciale nous exemptait de tout service militaire, nous nous devions de donner des premiers l exemple du patriotisme. D ailleurs un decret du ministre de l instruction publique vint bientot renvoyer a des jours plus heureux nos examens d agregation. Des lors, debarrasses de toute preoccupation universitaire, nous pouvions librement disposer de notre temps et de nos volontes. Deux jours apres, une vingtaine d entre nous avaient signe leur engagement, soit dans la ligne, soit dans la mobile, soit dans les chasseurs de Vincennes, et la semaine n etait pas ecoulee qu ils etaient habilles, equipes, armes et installes dans les casernes pour etre diriges sur le camp de Chalons.
