Excerpt: . . . mining industry has been included, and the report for that year contains not only the detailed statistics of strikes and lockouts in the mining industry for the years 1894 to 1895, but also a summary of all strikes and lockouts for these years, with the statistics of mine disputes included. As now published, the Austrian reports on strikes and lockouts contain a series of six tables, showing (1) strikes for the current year according to geographical distribution; (2) strikes according to industries; (3) a general summary of strikes; (4) comparative figures for a series of years beginning with 1894; (5) details of each individual strike during the current year, and (6) details of each individual lockout. The tables are preceded by an explanatory and descriptive analysis, with charts showing fluctuations. Appendices contain brief reviews of industrial conditions, tables showing contributions of trade unions in...

Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Miss Shannon Hilll V

Completely one of the best ebook I actually have possibly study. It can be writter in simple phrases and not confusing. You can expect to like the way the author write this book.
