Over the course of its history, England has engaged in an uncountable number of battles, but none of her military heroes left a greater military legacy than Admiral Lord Horatio Nelson or Arthur Wellesley, the Duke of Wellington. While Napoleon spent nearly 15 years running roughshod over Europe, stunningly conquering nearly every field army put in his path, Nelson and Wellington were there to spoil his plans and put a permanent end to them. Napoleon enjoyed a stunning series of successes on the European continent, but Nelson frustrated his Egyptian campaign at the Battle of the Nile and ended his dream of invading Britain at Trafalgar in 1815. And while Napoleon dealt with the Prussians and Russians in the east, it was Wellington who held his ground and eventually ejected the French from the Iberian Peninsula before sending Napoleon on his way...

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
