Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Llewellyn Terry)

TRICKS GONE BAD

Abysmal Antics Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In the high desert west of Ciudad Juarez, Mexico, a passionate interlude between two men goes off the tracks. A young journalist for The El Paso Times reports the crime but misses the key questions. Why would a man with a successful career, a home and loving family, risk everything for a casual encounter with a stranger? And why did he have to die? After covering the Juarez murder, the young journalist is soon embroiled in his own trick gone bad; a betrayal which could cast a permanent shadow over his life. And it s not the only time the reporter risks personal and professional ruin without asking important questions. Tricks Gone Bad - An erotic tapestry of fact and fiction that begins and ends with a real-life murder in the Chihuahua desert. Cunningly told moments set in the misty suspension of consequences required for sex with strangers. ----- EL PASO, 1985 - David is on the phone with the Chihuahua state judicial chief, an oily, odious man who makes David nervous. The chief is undoubtedly corrupt; the type of taunting public official who will sneeringly serve up an unlikely version of events and then pause to gauge whether the reporters are going with it. Not that he doesn t provide valuable information. But like an onion, the chief must be peeled back by careful questions which rarely come from the Mexican press. The chief is giving David the latest on a missing El Paso man. It s a typically poor connection with Mexico and David is having to shout his questions. It was funny at first, but now the copy editors sigh and roll their...
