

## Hit Hope: How the Rest of Us Play Golf (Paperback)

Filesize: 2.48 MB

### **Reviews**

*A very great pdf with lucid and perfect explanations. It really is rally interesting through reading time period. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about in the event you question me).*

*(Keshawn Schneider)*

SIMON SCHUSTER, United States, 2005. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tiger Woods called his book HOW I PLAY GOLF. Great for him but what has that got to do with the rest of us mortals. Even Jack Nicklaus said of Mr. Woods He plays a game with which I am not familiar. David Owen plays a game with which we are all familiar. He plays in a weekly foursome, takes mulligans off the first tee, practises intermittently at best, marks his ball on the green with his lucky coin (until the luck wears out, and he switches to something newer/hotter/fresher), wore a copper wristband because Seve Ballesteros said so, and struggles for consistency even though his swing IS consistent - and mediocre. He bets, he wins, he loses, he agonizes, he dreams. HIT AND HOPE is as pure a definition of the game of golf as anyone has ever devised. Through the anecdotes in this book, Owen takes the mundane aspects of the game and how we approach it and stands them on their head, turns them inside out, and lays our follies bare for all the world to see. He does for contemporary golfers what P.G. Wodehouse did for golfers in the 1920s, or Jacques Tati did for humanity at large: he finds humour and nobility in our essential silliness, as expressed in our pursuit of a little white ball over a vast greensward.
