Deseret Book, Salt Lake City, UT, 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1606418300 Brand new hardcover book! ; John Yves Bizimana was only seven years old when his family was caught up in the Rwandan genocide. In *Escape from Rwanda*, he tells of their horrifying escape and subsequent experiences as refugees, traveling with his widowed mother and his younger brother and sister from country to country, searching for safety and a place to call home. When they finally reach Zimbabwe, they expect their lives will settle down - they don't suspect that even greater trials are yet to come. John's story is one of almost unimaginable hardship - trudging through corpses that litter the road out of Rwanda, huddling under cardboard boxes for shelter, depending on strangers and governmental agencies for sustenance. His story is one of poverty, loneliness, and death, but it is also a story of faith, hope, determination, and miracles. This unique first-person account is interwoven with stories of others' saving acts of kindness and compassion in a seemingly compassion-less world. This unforgettable story of rising above all odds reminds us that life itself is a blessing and that hope should be the driving force of our lives. ; 5.75" x 8.5"; 144 pages.
