By Dr Perry Dickie

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. An excerpt from the GENERAL REMARKS. THE popularity of the community orchestra has reached a stage where it would seem that every small city and town laying claim to any musical talent whatsoever aspires to have one of these organizations of its own. The writer, for many years actively interested in amateur musical affairs, conducting and playing in various organizations, having been- the recipient of numerous inquiries from parties about to organize community orchestras aims in this article to anticipate similar questions. It is also written in response to and prompted by the remark made to us frequently by out-of-town parties: We wish that we could have a community orchestra in our town but we have no one to organize or conduct it. Although many of these places have their town hand still they realize that an orchestra is an entirely different proposition requiring a treatment of another kind owing to the diverse elements that enter into its composition. For years we have endeavored to find a book that we could suggest which would answer inquiries on the subject of the organization...

### Reviews

*This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
