SALLY S CHRISTMAS SKITS VOL 1

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Here are two Christmas skits that need nearly no rehearsals, or can be rehearsed in great depth, depending on the needs of the cast. They are written for children and/or adults. They can be done with few, many or no props at all. Throughout the play, the cast sings Christmas songs, or may simply sing along with the audience. The director may use a few or all of the songs, depending on the amount of time desired. Only the titles are included in the script, since most (if not all) are found in most hymn books. The lines of the script may be memorized or read during the performance. They are written in such a way so that children who do not read or who do not wish to speak may still participate, including any number of children. The gospel is clearly spelled out, from Jesus birth, life on earth, death on the cross, burial and resurrection. Merry Christmas from Charlie and Sally Hull!.
