THE NATURE S FARMACY (PAPERBACK)

Nature s Farmacy, 2016. Paperback. Condition: New. Language: N/A. Brand New Book ***** Print on Demand *****. I think I have kept this secret away from the world for far too long. I never asked for this. I guess mother nature chose me. Here I m answering her call. It seems like everything I have gone through was preparing for this very moment. It all started when I was a little boy. My grandmother was a famous herbalist, she healed hundreds with natural remedies. As a young, I will visit her herbal clinic and assist her in preparing herbs used in various home remedies. Gradually, she taught me so much about herbs and home remedies. On her dying bed, she instructed that her healing journal should be given to me. After her death, there was nobody to carry on with her with her legacy - and I was way too young and have my whole life ahead of me. Years later I ventured far into the big city in search of what live holds. But after 8 years in the big city, doing a soul-sucking corporate job. I came to the realization that I have given myself to competition and deviated from my true purpose. That moment, I decided to take back my life. I journeyed back home, located my grandmother s journal and her remaining research - and ventured to India to learn more about the ancient ayurvedic medicine. This was when the idea of The Nature s Farmacy was born. This book is a product of more than a decade of research work on the healing power of nature. In this book, you will find amazing Natural Remedies, Beauty Remedies, Alternative cures and Auyverdic medicine, never seen in any book. This was made possible by my grandmother s...
