Disaster Education and
People's Preparedness

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Disaster is a serious disruption in the functioning of a society causing widespread human, material, or environmental losses which has exceeded the ability of the affected society to cope using only its own resources. Owing to have a better preparation against this, Government of India in its tenth five year plan implemented a special course (Disaster Management Education) in CBSE. Disaster education refers to the transformation of knowledge and the facilitation of...
