GOVERNANCE OF IT: AN EXECUTIVE GUIDE TO ISOIEC 38500

BCS Learning & Development Limited. Paperback. Condition: New. 148 pages. Dimensions: 9.4in. x 6.7in. x 0.4in. Directors and government ministers across the world are increasingly being held accountable for failed IT systems, data loss and poor decisions about their organisations data. The answer lies in IT professionals working in parallel with their governing body to create an environment where information and information systems can be accessed and used by the appropriate stakeholders. Written in two halves, this valuable book is designed to bridge the gap between the governing body and CIOs IT managers. It will help them to create a safe and robust governance framework for their organisation by applying the principles of the ISO IT Governance Standard 38500 on directing, evaluating and monitoring IT activity. A practical approach to best practices in IT governance Shows how to govern, protect and manage information and technology assets Reduces the risk involved in delivering business information systems Written by a leader of the group that developed the ISOIEC 38500 standard This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
