More than anything, our God wants us to spend time with him. But in a culture of instant downloads and drive-through lattes, we learn that faster is better and slowing down is not an option. If we look carefully at Scripture, though, we see God has calling us to live intentionally--relationally--with him. 30 Words includes verses for meditation, discussion questions for group study or personal reflection, and quotes from Christian leaders. Each day, you ll focus on a single word that can teach us about God and daily relationship with him. And along the way, you ll find encouragement to open your heart, mind, and soul to God--helping you build a habit of spiritual development with the power to transform your life and faith.
