MCCORMAC: VOLUME 2 OF THE CLEANSKIN SHORT STORIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you peer into the seething waters of today's terror and uncertainty, Neill McCormac is the image you might pray would stare back at you. The first such collection of stories, entitled *McCann*, was named to Kirkus Reviews Best Books of 2015 and it traced the life and times of Michael McCann, McCormac's IRA nemesis. You don't have to have read any of the previous books to appreciate McCormac, and you don't have to have lived through the Troubles to feel a sense of what a momentous and innovative conflict it was and for how long. As with all of the books, this is a study too of human nature at its most complex and of the intelligence process at its most intriguing; but by the end you will also be reminded that McCann is still out there somewhere, and that you may have come across him. You may have spoken to him - you've almost certainly stood next to him - and who knows, you may even count...
