After Glows, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Woodland Creek Series. 30 Authors. 30 Shifter Stories. Established author and black dragon shifter, Cayden Rienhardt, has watched over the beautiful and very human, Nyna Carter, most of her life. But he never entertained the idea of more until recently. When an ex-lover from Nyna s past comes back to Woodland Creek and makes it clear she plans to spend her life with Nyna, Cayden s dragon forces him to break his silence and make a move to cast his magical web. But he could get more than he ever bargained for in the process. Eighteen months ago, lone cat shifter Kara Mitchell inadvertently witnessed the murder of her best friend s parents. When she fled the scene to contact the police, she was captured and held prisoner, forcing her to leave Nyna and her life behind with no explanation. Now that she s escaped her captors, she returns to Woodland Creek to help Nyna find closure and stop the murderer, but things aren t as she remembered. Not only is there a rift between her and Nyna, there s a very sexy dragon shifter complicating matters. Stuck in a web of lies, scandal, and a tantalizing love triangle, Nyna isn t sure whom to trust. Her heart wants both Kara and Cayden, but they each have secrets. When Kara reveals that someone close to Nyna is responsible for her parents murders, her love life becomes secondary to the investigation. She is determined to find out the truth. Even if it means that her life will change forever.
