Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Bottineau Illustrated, 1901-2 Of course, a book like this, without any literary attachment would be lacking in interest to the people of Bottineau and the county generally, and recognizing that fact, some interesting reading matter has been inserted between its covers, the historical sketch of the village and old citizens being from the pen of our esteemed townsman, A. G. Burr, State s Attorney. The publisher takes this opportunity to thank the merchants, professional men, newspapers and citizens generally of Bottineau who have shown their interest in the work he has undertaken by giving him valuable assistance. He also takes this opportunity to congratulate Messrs Scott SL Peterson, photographers, upon their artistic skill, and to thank them for the lively interest they have taken in the production of this book. To them it has been scarcely less a work of love than to the publisher. Thanks are also due to Messrs. Haskett, Jas. J. Kirk, Percy Cathro and others for interesting views and snap shots reproduced herein. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books....
