Brilliant Activities to Stimulate Creative Thinking: Stretch Gifted and Talented Children - and Everyone Else - in Primary Schools

By Will Hussey

Brilliant Publications. Paperback. Book Condition: new. BRAND NEW, Brilliant Activities to Stimulate Creative Thinking: Stretch Gifted and Talented Children - and Everyone Else - in Primary Schools, Will Hussey, Brilliant Activities to Stimulate Creative Thinking has over 150 entertaining, open-ended challenges that will provide mental stimulation for all children, not just gifted and talented children. The creative, challenging activities develop mental agility and the ability to 'think outside the box', developing pupils' higher level thinking skills. Children's overall confidence and self-esteem will increase as they work through these challenges where there are no correct answers and any input is valued. These 10-15 minute activities can be used first thing in the morning to fire-up your class, to engage fast finishers, or for homework. All the activities require minimal preparation.

Reviews

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
