THE BURY ROAD GIRLS: TALES FROM THE BRUCE PENINSULA (PAPERBACK)

Word Alive Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life on a small farm on the Bruce Peninsula is full of adventures and ups and downs. Debbie and her sisters learn how to live happily together by discovering certain truths- Mom has eyes in the back of her head, never tattle-tale, sing loudly even if you can t carry a tune, and have faith. Debbie is the fifth child in a family of all girls-seven of them! The story is about how the family engages in the challenges of living and working together. Eight-year-old Debbie learns how to drive a tractor, build a load of hay, and comes face-to-face with a rattlesnake. Debbie has no electronic devices; in fact, her family doesn t even own a TV! She and her sisters entertain themselves on the farm with simpler things. Still, she is much like you. she wants to be good, but she doesn t always get it right. About the Author: Donna is a wife, mother, and grandmother. She was motivated to write this book because of the fascination her grandchildren had with the stories told here. She and her husband, Murray, have a small mixed farm near beautiful Meaford, Ontario. This story is loosely based on her own childhood experiences growing up on the Bruce Peninsula in a family with seven girls.
