Quid Pro, LLC, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A recognized study of the disparate roles that corporate attorneys play in representing and advising their institutional clients. Long passed around and cited by scholars and practicing lawyers as an unpublished manuscript, this book insightfully explores the choices that lawyers, managers and executives make about how lawyers are involved in corporate processes. In the companies studied, Professor Rosen showed that corporate lawyers were repeatedly intertwined in decisions-beyond those regarding mere legal compliance-ranging from finance to production to sales to returns to litigation. But the how, when and consequences of their involvements varied. The book analyzes these variations. It examines relations between inside and outside counsel and the management of the corporate legal function. It locates them in a taut framework of organization theory and institutional behavior, a frame and application since recognized for its cogency and explanatory power. The author, now a senior professor at the University of Miami Law School, calls on attorneys to understand the organizational context of their work. His book repeatedly calls out attorneys who ill serve their clients because they failed as organizational analysts. It has since been recognized by legal, ethical, and sociological theorists as a rich resource of corporate analysis and the divergent roles that lawyers play. The groundbreaking research was conducted at six major manufacturing companies as Rosen interviewed a triad of inside counsel, outside counsel and managers who worked on particular problems. This novel method allowed self-serving statements (especially by the lawyers involved) to be checked and placed in realistic context. More important, because it triangulated how the legal problem was understood, the method brought out how the legal task had been structured. The frames that the lawyers, managers and organization imposed...
