iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.She was an experimental baby-clone reborn from the ashes of 9-11 that in less than six years evolved into a manipulative, nymphomaniac woman with two active personalities always in need of sexual attention. Legends hold that she was the re-incarnation of a cursed Virgin, banished unto the other side of Hell; women through the ages whispered her forbidden name as a death-wish against abusive unfaithful men: La Virgen Maldita = Cursed Virgin of Death, some of them called her, for she was the sexiest of them all, but any man who had sex with her either died or lost his mind. The Virgin makes love to any man without question but the Beast within her kills them in the act, without hesitation. Harold La Paz is a veteran killer for hire, a savoir-faire bipolar man who has managed to keep his two incompatible personalities from intersecting by controlling his own cunning, wicked alter ego. Suddenly he finds himself tangled up in between the legs of an insatiable sexual predator, living under the enchantment of a woman who actually isn't a woman at all. They are both hunters as well as the hunted, chased by an unorthodox and tenacious network of detectives. Virgin is also a perfect cover up for a serial killer so lethally clever that no one has ever suspected them -until now. Can the Virgin and Mr. Harold outsmart the system by concealing their shocking double life or will someone expose their crimes and true identities?.
