Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

ATLANTIC BOOKS, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. ***J. M. G. Le Clezio is the Winner of the 2008 Nobel Prize for Fiction***On the isle of Mauritius at the turn of the century the young Alexis L Etang enjoys an idyllic existence with his parents and beloved sister - sampling the pleasures of privilege, exploring the constellations and tropical flora, and dreaming of treasure buried long ago by the Unknown Corsair. But with his father's death, Alexis must leave his childhood paradise and enter the harsh world of privation and shame.Years later, Alexis has become obsessed with the idea of finding the Corsair's treasure; and through it, the lost magic and opulence of his youth. He abandons job and family, setting off on a quest that will take him from the remote tropical islands to the hell of the First World War, and from a love affair with the mysterious Ouma to a momentous confrontation with the search that has consumed his life.By turns harsh and lyrical, pointed and nostalgic, The Prospector is a parable of the human condition (Le Monde) by one of the most significant literary figures in Europe today.
