Xulon Press, United States, 2007. Paperback. Book Condition: New. 274 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.The Judas Personality delineates the fine line between what mental-health practitioners consider Antisocial Personality Disorder and what the rest of us would consider sheer depravity or evil. Is there a difference or are they the same? Many of us have known people who seem to be great at fooling even the most discerning individuals among us. This book gives all of the possible characteristics of those who are considered con artists and sociopaths, and how they can successfully manipulate individuals and societies with impunity.
