Hardie Grant Books March 2018, 2018. Hardcover. Condition: New. Homecamp is an impressive package that will inspire you to switch off and get lost in the beauty and wonder that nature has to offer. It's difficult to find nature amidst the rush, bustle and electronic pop-ups that flood our modern lives - to leave stress and hurry behind, embracing the simple pleasure to be found in pounding waves, a roaring campfire and a sky full of stars. But nature isn't as far away as you think. Homecamp is a beautiful collection of stories and images from everyday adventurers - people who have found ways to experience and embrace the outdoors, on their terms. Some have gone on epic adventures: sold their belongings and lived in a van, trekked through the Himalayas or biked across continents. Others simply found new ways of seeing the world around them: cleaned up a beach, learned how to forage or spent a night alone in the woods. All found that their experiences in nature transformed their lives and freed them, even if only briefly, from the monotony of their 9-5 grind. This book will inspire you to rediscover the joys and the rejuvenating power of spending time outside. Along with compelling stories, interviews and imagery, you'll find a how-to guide full of helpful tips, from how to choose and set up camp to brewing the perfect campfire coffee and enjoying the outdoors without a trace.
