Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Arriving at their idyllic and newly renovated Highland home, worthy of TV s Grand Designs, wealthy 30-somethings John and Laura Payne hope they are leaving their problems behind in the city. But the couple s presence disturbs neighbour and local eccentric Luther Grove, forcing him to confront long-buried secrets - secrets that draw him inextricably to Laura and trigger an instant conflict with John. The arrival of John s brother, Frank, proves to be the spark that ignites this highly combustible triangular relationship, ultimately threatening the safety and sanity of all four as they are propelled towards a bloody and tragic denouement. In a stunning debut, Barry Gornell, graduate of the University of Glasgow s renowned and highly successful Creative Writing Masters course - which launched the careers of John Creasey Dagger winner Louise Welsh, Orange Prize nominee Anne Donovan, Somerset Maugham winner Rodge Glass, and Man Booker nominee Rachel Seiffert, amongst many others - builds the tension flawlessly, showing genuine sympathy for his principle characters in this elegant, claustrophobic and acutely observed psychological thriller.
