Frustrated at his current condition and removed from his homeland, he began to pray and confess to God. While in prayer, an angel visited him and revealed God's plan for his life and the future of Israel. Today, many Christians feel captive like Daniel. They wonder why their prayers are not as effective as the men and women of the Bible. In our current times of a struggling economy, global war, and broken homes, Christians need resources that teach us how to overcome the world, our flesh, demonic deception. Air-To-Ground Warfare is a manual on spiritual warfare that explains how our prayers travel, remove doubt, restore joy, and establish ministries. This book goes in-depth and reveals the one thing the enemy has tried to hide from God's people: how to receive the plan of victory and use it while in battle. While reading these revealed truths, you will discover that anyone can enter the supernatural and fight battles through the power that God has given. The tools provided on fasting will strike deep in your heart and will cause your prayer life to instantly change. If you are ready to apply the principles that have supernaturally transformed the lives of millions, then you are ready to engage in Air-To-Ground Warfare.
